Dear Kathy, I just wanted to make sure you received the envelope from me. My grand daughter brought it in about 1:30 or 2:00 p.m. Please let me know if you received it.

Thank you, S Warrick

Dear M. Evans,

I talked to you last week about a teacher at your school, and some concerns. I could not get hold of you, for there was not a phone number. If you want to leave a phone #, I will give you a call.

Sincerely, Shawna W
